

### ***Our Mission***

To respond to the needs identified by the Chatham Affordable Housing Committee and the Chatham Housing Authority, we will raise, manage, and distribute funds in order to preserve existing and create additional affordable rental and ownership units. In pursuit of that goal, we will raise public awareness about the need for affordable housing, how people can help, and our successes.

## **What Can I do?**

1. DONATE land or property to town for affordable housing  
Contact: Chatham Town Manager's Office
2. ENCOURAGE others to support affordable housing
3. SUPPORT zoning by-law changes to encourage affordable housing
4. CONTRIBUTE any amount to further affordable housing
