DECLARATION OF PUBLIC HEALTH EMERGENCY ORDER

Whereas, the BOH is concerned that as summer approaches and visitors return to Chatham the combination of large crowds and narrow roads and sidewalks will make it difficult to maintain social distancing as required by Governor Baker's Face Covering Order, dated May 1, 2020.

Now, Therefore, the Board of Health amends the Emergency Order issued May 21, 2020:

Any member of the public utilizing Main St., from the Rotary to School St., the Lighthouse Beach Overlook and stairs, the Fish Pier Observation Deck and the Transfer Station, between 9 am and 9 pm, must wear a face covering at all times over their nose and mouth and must exercise social distancing, whenever possible, in accordance with Governor Baker's Order, dated May 1, 2020, effective May 6th, *Order Requiring Face Covering in Public Places Where Social Distancing is Not Possible.*

Face coverings required by this Order may be removed for the consumption of food and or drink only when the consumer is practicing appropriate social distancing from persons not of their immediate family unit.

This Emergency Order as amended shall be effective beginning Thursday, June 4, 2020 at 12:01AM and remain in effect until notice is given, pursuant to the Board of Health's judgement that the Order is no longer necessary.

ORDERED on this Day June 1, 2020
