Chatham North Beach: OSV Update 8/13/20

The Chatham section of Nauset Beach will open Friday, August 14th to Oversand Vehicle (OSV) access including overnight self-contained camper vehicles. Chase vehicles must be off the Beach by 11 PM, unless actively fishing, in accordance with existing Regulations.

Access will be via Trail 6 to the Front Beach (see attached figure). The Inner Trail will remain temporarily closed from Trail 6 to Trail 7.

The area of the Inlet remains closed due to the presence of endangered birds.

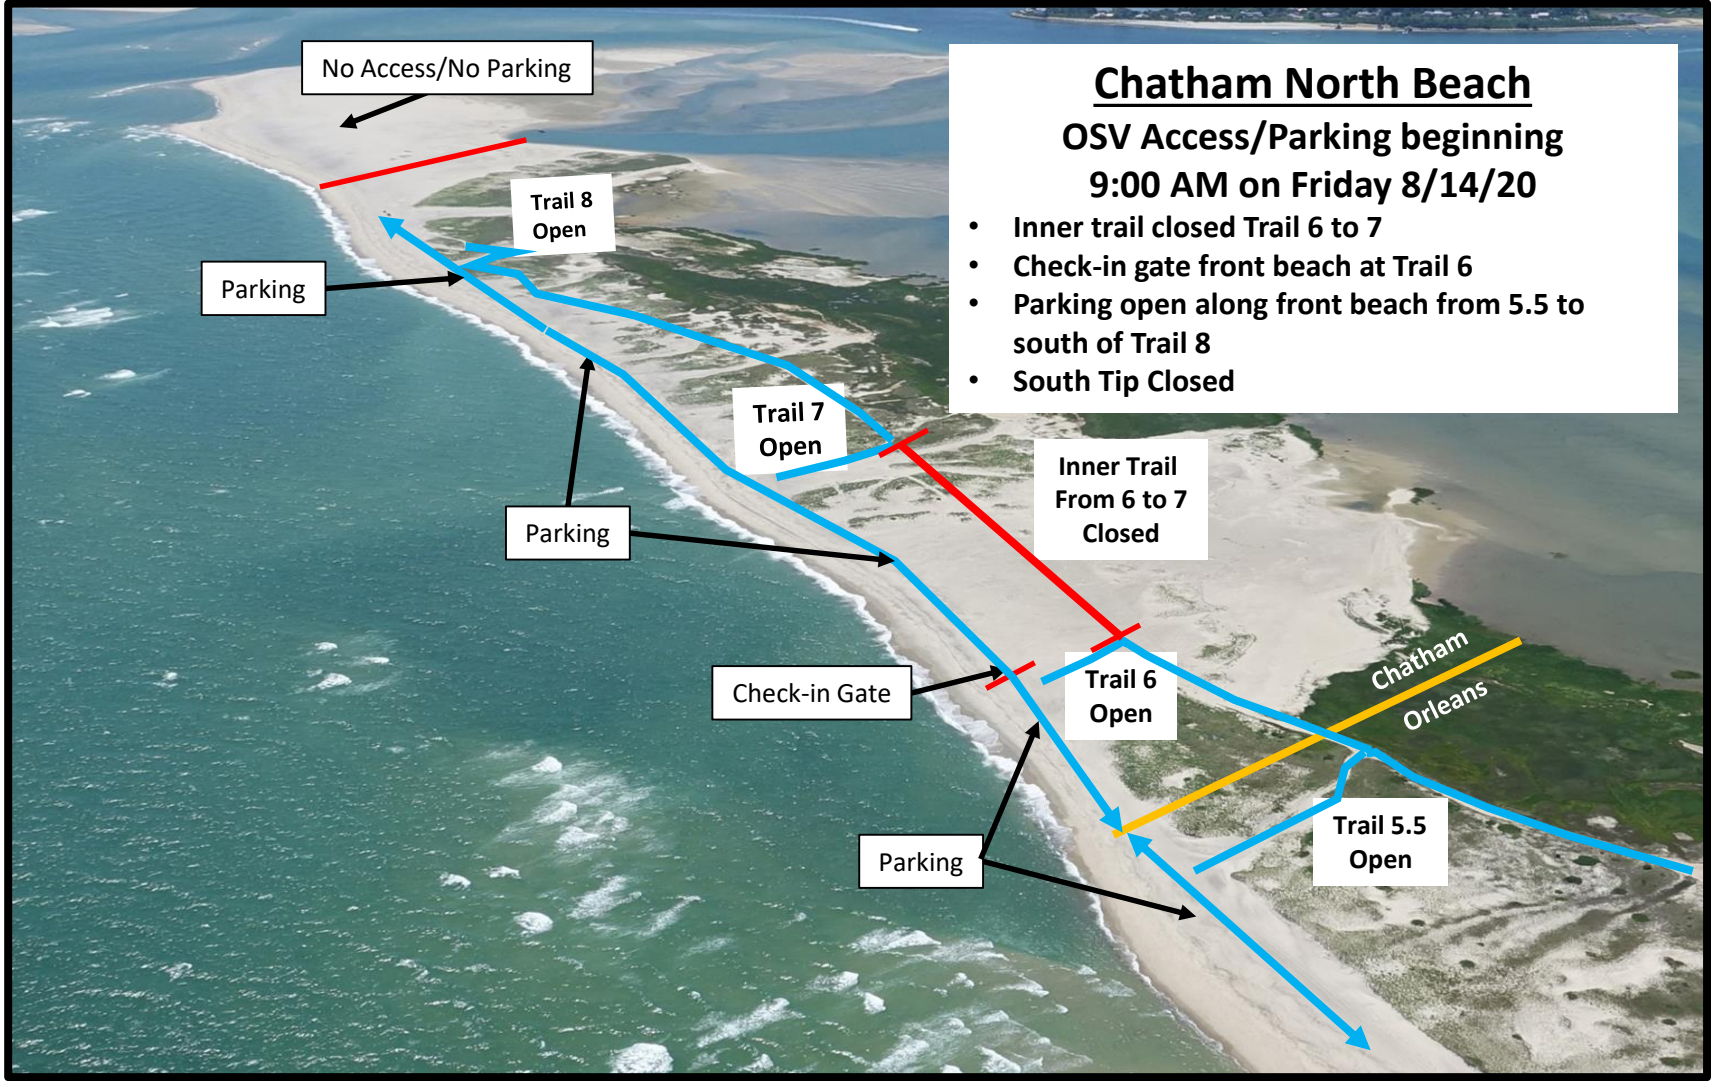

All Regulations regarding restrictions on access to endangered species habitat areas, dogs, and other Beach Regulations remain in full force.

Beach users are reminded to practice all applicable COVID-19 Guidelines including:

1. Anyone over the age of 2 should wear a face covering or mask when they cannot maintain 6 feet of distance between themselves and non-family unit persons, unless they have a medical condition preventing them from doing so.
2. Maintain at least one car length (15 to 20 feet) between vehicles at high tide.
3. Toweling/Beach Blanket groups should be separated by a minimum of 12 feet.

We thank you for your understanding and cooperation with the seasonal restrictions implemented to protect endangered shorebirds.
