

West Chatham Roadway Design Project Update 11/18/2020

At its meeting last night (November 17, 2020), the Chatham Board of Selectmen approved a request received yesterday afternoon from the MA Department of Transportation (MDOT) for the contractor on the West Chatham Roadway project to work on Saturday, November 21. The purpose of allowing work to continue this Saturday is to have the roadway paved before the Thanksgiving holiday weekend.

This Saturday (November 21), work will begin at 7AM and could potentially continue until 3:30PM. However, the contractor hopes enough work will be completed by this Friday to reduce work hours on Saturday.

For the holiday week of November 23rd, the contractor will work a regular schedule for Monday and Tuesday, but only half a day on Wednesday, November 25. Work will then resume on Monday, November 30.

Thank you again for your continued patience. For more information or questions, please contact DPW Director Tom Temple at (508) 945-5155 or ttemple@chatham-ma.gov - or me at (508) 945-5105 or jgoldsmith@chatham-ma.gov.
