- Continued site work at pump station site expected (40 Queen Anne Road; SE corner of Queen Anne Road and Oyster Pond Furlong). ***Traffic plan to be determined.***

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor's actual progress and the weather.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

The website formerly used for project updates (<http://www.chathamscproject.info>) is no longer being updated as the information is now available on the Town's website under the Projects link. If you have this site bookmarked, please update with the new link to the Town's website. Sewer construction updates are being posted to the Town's website as the primary information site for residents at <http://www.chatham-ma.gov>. We encourage you to visit for additional information regarding the CWMP and other important projects and events in Town.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
