The procedures relating to the filing of a grievance shall be as follows:

A. Step 1

A grievance must contain the name(s) of the aggrieved employee(s), date of alleged violation, section(s) of Agreement allegedly violated, facts upon which the grievance is based and remedy sought.

Grievances must start Step 1 process within ten (10) business days or within 10 business days of reasonable discovery of the occurrence or nonoccurrence of the act or condition upon which they are based.

The employee and/or the designated Grievance Committee member shall first present grievances to the Department Head and an earnest effort shall be made to adjust the grievance in an informal manner. The Department Head has ten (10) business days to answer the grievance. Where the Department Head fails to respond in writing within the required ten (10) business days, the grievance shall be deemed to have been denied and recourse may then be had to Step 2.

B. Step 2

If a grievance is eligible for this Step 2 procedure, the written grievance, together with the answer of the Department Head, if any, shall be submitted by the employee and/or the designated Grievance Committee member to the Human Resources Administrator within ten (10) business days after the ten (10) business day period for response referred to in Step 1.

The Human Resources Administrator and the employee and/or the designated Grievance Committee member shall meet within ten (10) business days after such submission and shall

attempt to settle the grievance. The Human Resources Administrator shall answer the grievance in writing within ten (10) business days of the meeting.

C. Step 3

If the grievance is not adjusted to the satisfaction of either party during the Step 2 process or no answer is received, the grievance may, within ten (10) business days after the meeting, be filed with the Town Manager.

The Town Manager may, at his or her discretion, meet with the employee and/or designated Grievance Committee member within ten (10) business days after such submission. The Town Manager shall answer the grievance within ten (10) business days of the submission and/or meeting in the event such a meeting occurs.

D. Step 4

If the grievance is not adjusted to the satisfaction of either the Association or the Town, the grievance may be filed by either party for arbitration to a single arbitrator mutually agreed to by the parties, the American Arbitration Association or the Labor Relations Connection. The party filing for arbitration shall notify the other party within fifteen (15) business days of the Step 3 response of the Town Manager or their designee, or if no decision is received from the Town Manager or their designee at Step 3, the party shall be notified within fifteen (15) days of the date that the Step 3 response was due under the timeline described in Section C above.

The Arbitrator shall have no power to add to, subtract from, alter or modify this Agreement, nor to grant to either party, matters which were not obtained in the bargaining process, nor to impose any remedy or right of relief for any period of time prior to the effective date of this Agreement nor to grant pay retroactively for more than ten (10) business days prior to the date a grievance was submitted at Step 1. In addition, the Arbitrator shall have no power to decide matters not submitted, nor to fail to decide matters jointly submitted.

Neither the submission of questions of arbitrability to any Arbitrator in the first instance nor any voluntary submission shall be deemed to diminish the scope of judicial review over arbitral awards, including awards on arbitrability, nor to restrict the authority of a court of competent jurisdiction to construe any such award as contravening the public interest.

Notwithstanding any contrary provision of this Agreement, the following matters shall not be subject to the grievance arbitration procedure:

Dismissal or discipline of employees during the probationary period;

Layoff or non-disciplinary termination of employment except to the degree that the Town did not adhere to the procedure outlined in Article 12.

The Arbitrator shall render a decision in writing no later than thirty (30) days after the conclusion of the hearing or the filing of briefs, whichever is later, unless the parties jointly agree otherwise.

The decision of the Arbitrator shall be final and binding upon the parties to this Agreement. Each party thereto shall bear the expense of preparing and presenting its own case. The expense and fees of the Arbitrator shall be shared equally by the parties.

The Town may also use the grievance procedure to bring a grievance against the Union. When so employed, the procedure shall start with Step 2 and shall substitute the Association for the Town. The meeting contemplated by the procedure shall take place within fourteen (14) days of submission of grievance by the Town.
