

PAYMENT DUE DATES/INTEREST CHARGES:

The total amount of taxes, betterments, special assessments, and other charges you owe for fiscal year 2026 is payable in two payments (semi-annual). Your first payment is due on November 1, 2025, or 30 days after the date tax bills were mailed, whichever is later, and should be at least one-half of the tax and any betterments, special assessments and other charges shown. The balance is due May 1, 2026.

- Payments are due by 4pm on the due date
- Payments can be made on-line and/or established on automatic payment at <https://www.chatham-ma.gov/615/Pay-Online>
- Checks should be made payable to the Town of Chatham

ABATEMENT/EXEMPTION APPLICATIONS:

The deadlines for filing applications for an abatement of or an exemption from your fiscal year 2025 tax are determined by the date tax bills were mailed, not the date the second payment notice is mailed. You should refer to your tax bill for more detailed information on those deadlines and on application procedures.

If your payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. Interest is computed on overdue first payments from November 1, 2025, or the payment due date, whichever was later, and on overdue second payments from May 1, 2026, to the date payment is made. You will also be required to pay charges and fees incurred for collection if payments are not made when due. Payments are considered made when received by the Collector. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.
